

Seattle Chapter ARCS Foundation partners with dynamic local companies and foundations to accomplish our mission:

Advancing science in America through PhD fellowships for academically outstanding scholars in the fields of science, technology, engineering, and math.

We strive to create partnerships that align with the charitable and business goals of your organization, while keeping the focus on bringing world-class PhD students to study at the University of Washington and Washington State University. Your organization's involvement ensures that the most promising scientists in our nation will come to Washington to **innovate and change our world for the better.**

ARCS Industry and Foundation Partners...

- ⇒ Sponsor events highlighting the latest STEM research
- ⇒ Increase partner and scientist networking opportunities with industry supporters
- ⇒ Strengthen research capabilities in our region
- ⇒ Mentor and enrich the growth and development of science and technology talent

Our Partners in Advancing Science

The University of Washington and Washington State University are internationally recognized research institutions; producing scientists whose cutting-edge research impacts our region, our nation and the world. Whether they stay in academia or move on to key roles in industry, ARCS Foundation scientists are shaping the way complex problems are addressed. ARCS Foundation scientists also benefit from unique mentorship and research opportunities that can only come from a relationship with our industry and foundation partners.

How do partnerships benefit scientific progress?

- ⇒ The most promising science scholars choose to pursue vital scientific research in WA
- ⇒ These scientists engage challenges and develop innovations impacting our future
- ⇒ Professors work with our scholars to create dynamic and productive research teams
- ⇒ The UW and WSU attract the brightest scholars to our region and retain top faculty

Partner Levels and Benefits

- ⇒ **\$25K+ Platinum**
- ⇒ **\$10K+ Gold**
- ⇒ **\$5K+ Silver**
- ⇒ **\$2.5K+ Bronze**

Partners will be recognized and celebrated throughout the year for their generous support. Benefits can be tailored to meet the marketing needs of our partner organizations, depending on their partnership level.

ANNUAL EVENT RECOGNITION

The Seattle Chapter ARCS Foundation Annual Luncheon will be held on October 26th, 2020. Our luncheon draws approximately 600 guests who are philanthropists, industry and civic leaders in the Pacific NW. Held at Seattle Sheraton, our goal is to raise \$400,000 toward advancing our mission.

Luncheon recognition includes:

- ⇒ Company logo in media presentation at the event
- ⇒ Company logo in pre-event publicity and invitations, email and print – circulation of 1000+.
- ⇒ Company logo displayed on Seattle Chapter ARCS Foundation Annual Brochure cover and on Scholar booklet shared with 600+ members, donors, and event attendees.
- ⇒ Company logo placement on Seattle Chapter ARCS Foundation website for 12 months
- ⇒ Luncheon Seating for 6 (table shared with ARCS Scholars and university faculty)

ANNUAL OUTREACH & PUBLICITY

Year-round recognition includes:

- ⇒ Company logo in all marketing & advertising including Puget Sound Business Journal or other prominent publication, UW Columns Magazine and Washington State Magazine
- ⇒ Company logo on Seattle Chapter ARCS Foundation website for 1 year, as well as included in ARCS foundation quarterly newsletters for 1 year.
- ⇒ Exclusive Invitations to Seattle Chapter ARCS Foundation networking and program events with fellows, members, and university partners.
- ⇒ Opportunities to engage with Seattle Chapter ARCS Foundation's members; highly respected professionals, philanthropists, scientists, business leaders, and innovators deeply committed and engaged in the Puget Sound Region and beyond.
